

For courses to count toward the International Business (IB) Certificate, they must meet the following two criteria: (1) have business focus; and (2) be globally focused and/or focused on a region or country other than the United States. The courses listed below should serve as exemplars of international business related courses; additional courses, including courses taken abroad, may be considered with the advance consent of the Program Directors.

The following courses have been pre-approved and will count as *CBE electives* toward the IB Certificate:

CSB 314: International Practicum  
ECO 209: Comparative Economic Systems  
ECO 339: International Trade  
ECO 340: International Finance  
FIN 333: Global Finance  
MKT 320: Global Marketing  
MGT 372 Global Lab Singapore

The following courses have been pre-approved and will count as *Non-CBE electives* toward the IB Certificate:

ENTP 307: International Social Entrepreneurship  
GS 320: Global Capitalism  
GS 126: The Political Economy of Globalization  
IR 125: International Political Economy  
IR 222: Political Economy of North-South Relations  
IR 321: Economic Relations of Advanced Industrialized Societies  
IR 323: Political Economy of Industrialization and Development

The following courses when completed as part of the Lehigh in Ireland Program *will require Program Director approval to count as CBE electives* toward the IB Certificate:

IS 371: Directed Readings  
CSB 198: Independent Study  
ECO 199: Supervised Research  
LAW 372: Special Topics
